

High Street Rental Auctions – Public consultation

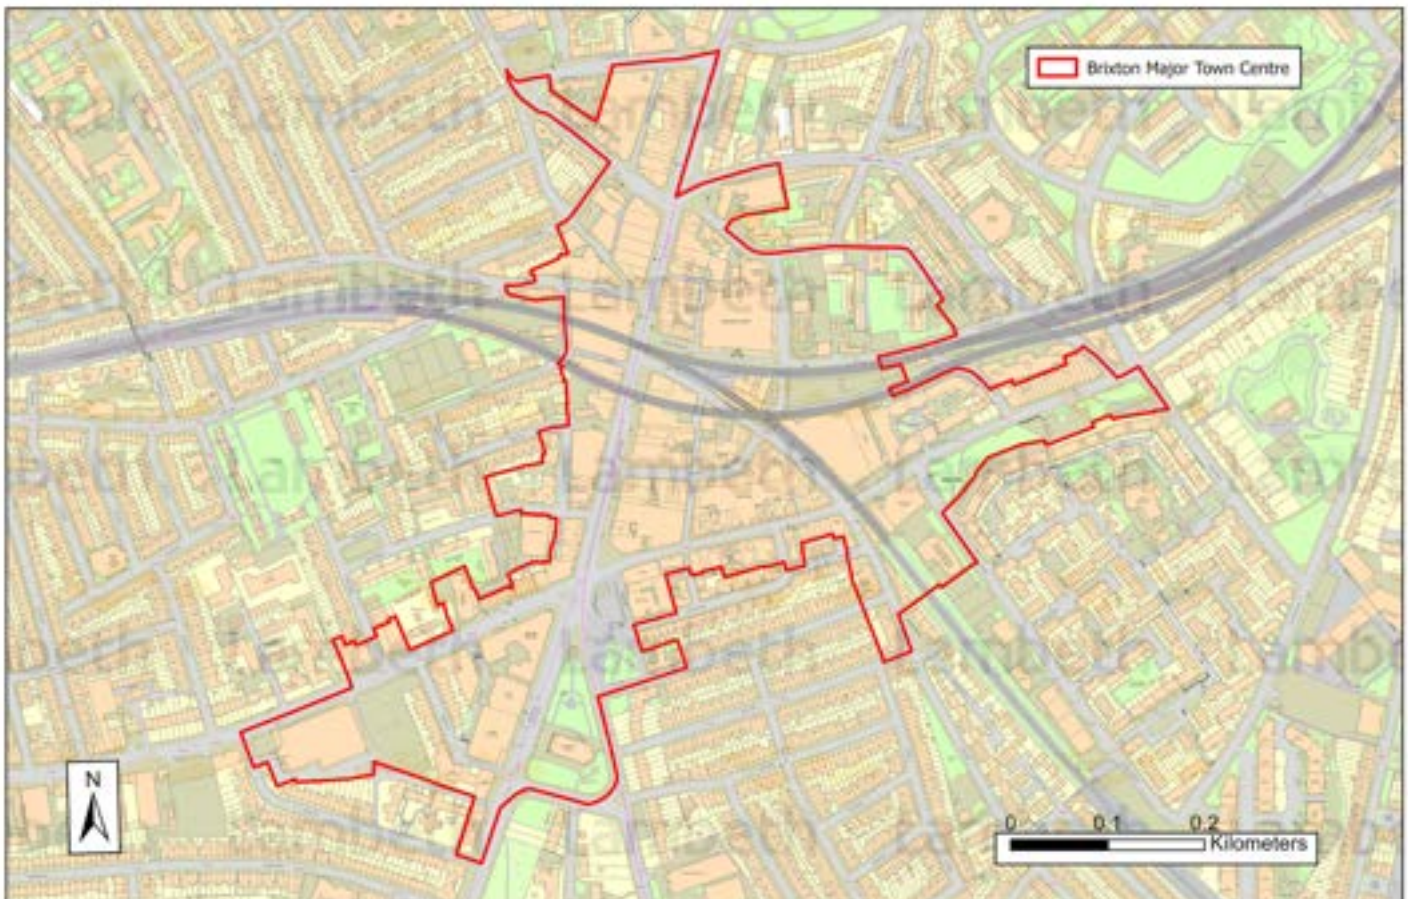

High Street Rental Auctions (HSRA) is a new power for local authorities to require landlords to rent out persistently vacant commercial properties to new tenants such as local businesses or community groups. Lambeth Council has identified three high streets in the borough for an initial programme:

- Brixton – Major Town Centre
- West Norwood – District Centre
- New Park Road triangle – Local Centre

These areas have been selected as they have the highest number of long-term high street vacancies out of each typology of high street.

The following maps show the proposed HSRA designation boundaries for each area.
